

FloraLife® LeafShine Silicone Free

100% NATURAL OILS

FloraLife® LeafShine Silicone Free is the newest addition to our sustainable product range. It is in line with our FloraLife 2025 Sustainability Plan core commitments of focusing, developing, and distributing products that are more sustainable. All oils contained in this new product are silicone free and made from natural sources while still bringing all the great trusted benefits of the FloraLife® LeafShine product range.

FloraLife® LeafShine adds an appealing shine to all hard leaf foliage plants and fresh cut foliage and flower leaves used in straight bunches or arrangements. This easy and ready-to-use product provides a natural and healthy look to foliage. Spray foliage to clean and enhance for best appearance and experience. Suitable for the entire floral distribution chain, from growers to consumers.

Features and Benefits

- No offensive odor. Improved scent-free formula provides a pleasant, natural scent.
- Adds an appealing shine to all hard leaf foliage plants and fresh cut foliage and flower leaves used in straight bunches or arrangements.
- Provides a “natural” shine, not an oily appearance.
- Keeps foliage clean longer, as there are no oily residues to attract dust.
- Removes and keeps water spots and calcium deposits away.
- Ready-to-use product with easy-to-use sprayer nozzle.
- Reduces water evaporation of leaves.
- Suitable for most foliage plants except those with fragile or hairy leaves, succulents, and ferns.
- Silicone free with 100% natural oils.

Use Instructions

- Shake can vigorously before spraying on foliage. Best to apply in 20 – 25° C (68 - 77° F) room temperature. Avoid spraying in full sunlight.
- Spray lightly on tops of foliage from a distance of 30 – 38 CM (12 – 15 inches). Move the can side to side to get a more even coverage of spray and better effect. Hold can upright when spraying.
- Allow 5 minutes to dry before wrapping or covering the sprayed plant or flower foliage.
- Repeat treatment twice monthly on plants to maintain the natural, healthy looking shine.
- Avoid spraying on flower blooms and buds.

Container Size

- 750 ml aerosol can*
