

Leafshine

Shines and protects plant foliage

aerosol spray

With this new scent free formulation, adding an appealing shine to all hard leaf foliage plants and fresh cut foliage in design arrangements will be a much more pleasing experience. This easy and ready to use product provides a natural and healthy look to the foliage to make them sparkle.

For the Entire Floral Channel . . . Professional to End Consumer
Spray foliage plants to clean and enhance for greater appearance.

Features and Benefits

- Improved scent free formula provides a pleasant, natural scent . . . no offensive odor.
- Shines up foliage for longer enjoyment of green potted plants and cut foliage in flower arrangements.
- Provides a "natural" shine, not an oily appearance.
- Keeps foliage clean longer, as there are no oily residues to attract dust.
- Removes and keeps water spots and calcium deposits away.
- Ready to use product has easy to use sprayer nozzle.
- Reduces water evaporation of leaves.
- Suitable for most foliage plants except those with fragile or hairy leaves, succulents, and ferns. Avoid spraying on flower blooms and buds.
- 25% free bonus-size cans.

Directions for use

- Shake can vigorously before spraying on foliage. Best to apply between 68 - 77° F and avoid spraying in full sunlight.
- Spray lightly on tops of hard foliage type leaves from a distance of 12 - 15 inches. Move the can side to side to get a more even coverage of spray and better effect. Hold can upright when spraying.
- Allow 5 minutes to dry before wrapping or covering the sprayed plant to assure an appealing shine.

Dosage

- Repeat treatment twice monthly to maintain the natural, healthy looking shine.

Container Sizes Available (availability depends upon region)

- 25 fl. oz. / 750 ml aerosol can
