

FloraLife® Crystal Clear®

Flower Food Clear 300 - Powder

This flower food treatment is part of the last stage of the postharvest care and handling prior to the end consumer's purchase. FloraLife® Crystal Clear® powder and clear liquid flower food encourages the flower to properly start opening, showing vibrant colors, just enough to work with in all OASIS® floral foam design and vase arrangements. It hydrates and nourishes the flowers for maximum enjoyment.

Benefits

- Vase and OASIS® floral foam solution for full flower development and optimal vase life.
- Enhances flower colors, keeping them more brilliant.
- The clear solution performs well in all water qualities and is an excellent choice for clear glass vase arrangements.
- Helps keep stems flowing freely, keeping flowers hydrated.
