

FloraLife® Floral Cleaner

Cleans and deodorizes floral buckets, tools, work surfaces, vases, containers, coolers, as well as shipping and packing areas. Use as a general purpose detergent for efficient cleaning. Clean to reduce the plugging up of flower stems, which reduces water uptake. Improve flower life as a result of a cleaner environment. Flower wellness brings customer satisfaction and repeat sales.

Product features and benefits

- Cleans and deodorizes working surfaces, tools, buckets, cooler walls, etc.
- Helps keep floral departments clean and odor free.
- Helps reduce cross-contamination from flower processing tools.
- Helps promote a clean floral processing operation for an overall general improvement in flower quality.
- Will not harm plants or flowers.
- Ready-to-use (RTU) solution.
- Available in wipes.
- Easy to use; no mixing required resulting in a reduction of improper usage.
- No rinsing – no need to rinse out buckets with water after application of the product.
- Saves on cleaning time (due to no rinsing needed and longer lasting ingredients used).
- Pleasant scent.
